

Robbin Major

She/Her • Chicago, IL • 347-364-5576 • robbin.major@gmail.com • linkedin.com/in/robbin-major

Adaptable and service-driven professional with experience across hospitality, administrative operations, technical support, and entrepreneurial initiatives. Recognized for thriving in fast-paced environments, contributing to opening teams, and delivering strong customer and user experiences in both in-person and remote settings. Brings strong communication, problem-solving, and relationship-building skills supported by hands-on experience in IT support, onboarding, documentation, and data management. Known for reliability, resilience, and a collaborative mindset, with a continued focus on growth, meaningful work, and community impact.

WORK EXPERIENCE

LDW Group • 05/2026 - Present

Dispatcher (Remote) • Part-time

- Managed customer communication via phone and email while maintaining accurate Documentation of service requests, account information, and issue resolution across multiple systems.
- Processed payments and assisted with billing questions and account support
- Guided customers through available service options to meet their needs

PlayMakers Laboratory • Chicago, IL • 05/2016 - Present

Teaching Artist & Performer • Part-time

- Support students in developing writing, critical thinking, and self-expression skills through journal writing, brainstorming exercises, and structured storytelling projects.
- Review and curate student-written work, identifying stories and themes for adaptation into live performances that celebrate student voices and achievements.
- Lead engaging theater games and arts-based learning activities that encourage creativity, teamwork, confidence, communication skills, and student participation.

Beacon Hill Staffing • Chicago • 12/2024 - 05/2025

Data Management Specialist • Full-time

- Consistently met demanding daily productivity goals, processing approximately 450 items per day while maintaining accuracy and quality standards.
- Performed detailed data entry, Data Analysis, record updates, content tagging, and data management using internal systems and basic Microsoft Excel, ensuring information aligned with system requirements.
- Conducted high-volume Record and Document Reviews, verifying completeness and accuracy, identifying missing information or inconsistencies, and maintaining accurate Documentation while following established procedures for resolution.

Green Street Smoked Meats • 02/2024 - 08/2024

Cashier (Sales) • Full-time

- Accurately processed orders, handled cash and electronic payments, and maintained efficiency during peak service periods.
- Supported back-of-house and front-of-house coordination by lifting, transporting, and staging inventory and supplies to maintain smooth service operations.

EDUCATION

Nucamp
10/2021 - 01/2022

Completed backend development and DevOps training with exposure to Python, SQL, and software development lifecycle fundamentals.
